The Department of Chemistry & Biochemistry
has a long tradition of undergraduate involvement in cutting-edge research. Successful candidates gain valuable experience as they join faculty members, graduate students, and undergraduates in pursuing active chemistry and biochemistry research. Examples of ongoing research can be found at www.chem.byu.edu/faculty/

Requirements:
Chemistry or Biochemistry majors who will complete their junior year in 2016 and who are considering graduate studies in Chemistry or Biochemistry are eligible to apply. Recipients of the award will be expected to adhere to the BYU Honor Code.

Application Deadline:
March 1, 2016

Mail To:
Sue Mortensen, Administrative Assistant
Department of Chemistry and Biochemistry
Brigham Young University
C-104 Benson Science Building
Provo, Utah 84602
suemort@chem.byu.edu
